Our mission is to provide access, facilities and sailing instruction to anyone, regardless of socioeconomic background, skill level or physical ability. Our purpose is to engage the lives of children, ages 5-18 years old in unique learning experiences through innovative programs to build character and promote a healthy spirit, mind and body. Our sailing programs stabilize youth and help them realize their hidden talents while conquering their fears and doubts.

Charleston Community Sailing Inc. was founded in 1999 and has grown from having 6 used donated 420's, 10 local sailors and five volunteers, to an organization that has taught over 2000 children, produced 9 local high school sailing teams, a Special Olympics Sailing Team, an outreach program - "Buddy Sail"- and a full time director working with an abundance of volunteers. This is only possible because of thoughtful contributions from people like you!

In 2011 Charleston Community Sailing Inc. is prepared to face new challenges, establish initiatives and expand services and outreach efforts in the low country community. Sailing For Everyone! All donations to Charleston Community Sailing Inc. are 100% tax deductible!
